RESOLUTION

The Faculty Senate of Armstrong Atlantic State University hereby resolves that it does not support the request for rezoning, file number B-090929-361.32-2, and further supports the university representative in attendance at the public hearing before the City of Savannah Zoning Board of Appeals scheduled for October 27. The Faculty Senate makes this resolution requesting denial of the petitioner's application to build an indoor shooting range immediately adjacent to the University because of our concerns for the safety and well-being of Armstrong faculty, staff, and students.
